Office of the District Magistrate, North Goa

Order

No. 8/8/2014-MAG/L&O/LA/81

Under Section 144 of the Code of Criminal Procedure, 1973

Whereas, it is apprehended that assemblies, processions and morchas are likely to be carried out during the Eleventh Session of Sixth Legislative Assembly of the State of Goa convened at 11.30 a.m. on 11-01-2016 and such activities are likely to create not only traffic congestion but also disturbance to the smooth and peaceful functioning of the Assembly;

And whereas, I am satisfied that adoption of immediate preventive measures are necessary for the maintenance of public peace and tranquility;

And whereas, I am satisfied that there are sufficient grounds for proceeding under Section 144 of the Code of Criminal Procedure, 1973 and that the circumstances do not allow the serving of notice individually;

Now, therefore, in exercise of the powers vested in me under Section 144 of the Code of Criminal Procedure, 1973, I, Swapnil M. Naik, District Magistrate, North Goa, do hereby prohibit:-

- Assembly and collection of five or more persons and taking out or organising of processions.
- The carrying of firearms or weapons of offences such as lathis, swords, daggers or spears.
- The use of loudspeakers.
- The shouting of slogans.
- Burning of fire crackers at the petrol pumps and at the venues of meetings, etc.

in any public place, street, road, square, thoroughfare, by-lane or in any open space within the radius of 500 mtrs. around the Assembly Complex at Porvorim and the area under the jurisdiction of Panaji Police Station and further direct that the above restriction shall not apply to public servants on duty and to bonafide marriage or funeral processions or any special occasions which in the opinion of the District Magistrate/Additional District Magistrate/Sub-Divisional Magistrates, is/are genuine and for which prior permission in writing shall be obtained from the District Magistrate/Additional District Magistrate or the Sub-Divisional Magistrate concerned.

Further, it is also ordered that the provisions of Section 144 of the Code of Criminal Procedure, 1973 promulgated now, shall come into force w.e.f. 9.00 a.m. of 11-01-2016 till the Assembly Session is over.

Given under my hand and seal, this 7th day of January, 2016.

Swapnil M. Naik,
District Magistrate,
North Goa.

Collectorate South, Margao-Goa

Order

No. 37/128/2008/MAG

**(Section 144 of the Code of Criminal
Procedure, 1973)**

- Read No. 1. SP/ATS/ALT/139/2015 dated 16-12-2015 from the Supdt. of Police, ATS, Porvorim-Goa.
2. Public Notice No. 05-13/2014-AED dated 07-10-2014 issued by Director General of Civil Aviation, New Delhi.

Whereas, it is reported by the Superintendent of Police, ATS, Porvorim informed that a lot of interest has been shown all around the world for the use of Unmanned Aerial Vehicle (UAV)/Unmanned Aircrafts System (UAS) commonly known as Drones for Civil applications.

And whereas, it is further reported by Supdt. of Police, ATS, Porvorim more formally known as Unmanned Aerial Vehicles (UAV) it is a flying robot remotely controlled that can fly autonomously through software-controlled flight plans in their embedded system working in conjunction with GPS. It is most often been associated with the military but also used for search and rescue, surveillance, traffic monitoring, weather monitoring and fire fighting, among other things. UAS has potential for large number of Civil applications, however its use besides being a safety issue, also Security threat. The Airspace over cities in India has high density of manned aircraft, and due to lack of regulation, operating procedures/standards and uncertainty of the technology, UAS poses threat for air collisions and accidents.

And whereas, through a public notice issued by Director General of Civil Aviation, Government of India, New Delhi, dated 01-10-2014, and it is learnt that, DGCA is in process of formulating the regulations for certification and operation for use of UAs in the Indian Civil Airspace. Till such regulations are issued, non-Government agency, organization, or an individual are prohibited from launching a UAS in Indian Civil Airspace for any purpose whatsoever. Earlier several parties across India were interested in using the Unmanned Aerial Vehicle (UAV) or Drones for both commercial and recreational purposes. So also large and small commercial establishment in India including retail giants like Amazon, Pizza outlets etc. had plans to use the device for its home deliveries. However, the Aviation regulator stopped such activities till the policies were announced by the DGCA. Recently some commercial drones were given approvals to use IPL matches with stipulations to fly below 500 feet during the day light and within sight of the operator and flying of drones near Airport were banned. In the State of Goa personal drones have also become increasingly popular, often for drone-based photography and shooting of videos. Other applications include drone surveillance and drone journalism, because the Unmanned Flying Vehicles can often access locations that would be impossible for a human to get to.

And whereas, in a recent incident in Mumbai, two employees of a Mumbai-based real estate search portal were detained by the Mumbai Police after they flew a drone near the Tata Institute of Social Sciences (TISS) in Chembur without prior police permission. The drone attached with camera was taking pictures of buildings to be uploaded on the website. Further, the Mumbai Police had warned that terrorists are likely to carry out an attack any time via aerial gadgets. A notice under Section 144 Cr. PC was also issued declaring no flying zone for certain period by the Dy. Commissioner of Police (Operation) and Executive Magistrate, Greater Mumbai.

It is further submitted that there are no regulatory guidelines concerning the sales and operation of such UAS. The drones in 2015 have become popular across the globe. Due to its easy availability at affordable prices in the market, it can pose a threat to the society and the country at large if its use is done by anti social elements for terror related activities such as drone attacking, planting/carrying of explosives, covert operations etc.

Those individual and organizations interested in using commercial drones should be compulsorily directed to register themselves with the controlling body that will be established under the approval and control of Aviation Department and other concern authorities. Furthermore the user shall adhere by the rules and regulations laid down by the concern body.

Besides this, to cover the aspect of security point of view, following precautionary measures be taken into consideration at the time of registration process.

- 1) Submitting of identity proof with full address and contact number of the user to the controlling body.
- 2) Furnishing of details of Unmanned Aerial Vehicle (UAV)/Drone to the controlling body.
- 3) Inspection of Unmanned Aerial Vehicle (UAV) be conducted on a strategic period with the help of technical experts.
- 4) Purpose/reason of Unmanned Aerial Vehicle using the Unmanned Aerial Vehicle (UAV) be cleared before the authorities.
- 5) Incase the user intends to sell or buy new Unmanned Aircraft Systems (UAS), same be intimated to the authorities in advance and to follow the required registration process.
- 6) Incase the user intends to use the Unmanned Aerial Vehicle (UAV) at public functions or private events, necessary approvals and permissions shall be compulsorily obtained by the user from the organizers and the controlling body well in advance.

Formulating of required regulations by the Government and enforcing the law and precautionary measures from security point of view would be of great significance to keep track on usage of Unmanned Aerial Vehicle (UAV) by anti social elements/terrorists and enable Police force to thwart any attempts of carrying out covert/dangerous activities that could be disturb the peace and public tranquility and grave danger to human life and property. Looking at the present security scenario around the world, it is urgently felt that there is a need to keep a track and accountability on flying of commercial drones from security point of view by way of appointing a controlling body comprising of concern authorities to supervise and regulate its activities by way of framing new guidelines/measures. However, till then as precautionary measure regulatory order prohibiting the use of drones till specific rules/guidelines comes into force from concern authority be brought into effect.

And whereas, the circumstances do not permit serving of the notice individually in due time to the concerned, the order is hereby passed ex-parte. It shall be published for information of public through Press and also by affixing copies on the Notice Boards of all Sub-Divisional Magistrates, Mamlatdars and Police Stations.

Therefore, on being satisfied with the report of the Superintendent of Police, (ATS), Porvorim, I, Sachin Shinde, IAS, District Magistrate, South Goa District, Margao in exercise of the powers vested in me under Section 144 of the Code of Criminal Procedure, 1973, do hereby ordered to ban the use of Unmanned Aerial Vehicle (UAV) popularly known as Drones throughout the South Goa District.

Any person contravening this order shall be punishable under Section 188 of the Indian Penal Code.

The Supdt. of Police, (ATS), Porvorim, Supdt. of Police, South Goa, Margao, the SDPO of Margao, Quepem, Mormugao & Ponda and the Police Inspector/SHO's of the respective Police Stations are hereby authorized to file FIR on behalf of the State in the Court if any persons found contravening the above order which shall be punishable under Section 188 of Indian Penal Code.

Given under my hand and seal of this office on 31st day of December, 2015.
